

As Salaamu Alaykum, Ikhwan,

Shaykh Duse Mohamed Ali first visited and left America in the 1890's, and then he left and returned to New York in October 1921, he then left New York for Lagos, Nigeria in 1931 never to return.

Shaykh Satti Majid first arrived in New Orleans in 1904, and he left New York for Alexandria, Egypt on January 31 1929 never to return.

Insha' Allah, I will be adding more to their stories, in the mean time below are the list of organizations which I've been able to document that they led during their stays in America

Insha' Allah this will be of some benefit.

Ma'a Salaam
Abu Usamah
